Further details of the equipment and conditions for certification are given overleaf.

This Certificate is valid until **2022-07-20**.

Issued at **Hamburg** on **2017-07-21**

DNV GL local station:
Essen

Approval Engineer:
Pavel Golyshov

Notified Body
No.: **0098**

for **DNV GL SE**

Digitally Signed By: Mydlak-Röder, Christine
Location: DNV GL Hamburg, Germany
, on behalf of

Sven Dudzus
Head of Notified Body

The mark of conformity may only be affixed to the above type approved equipment and a Manufacturer's Declaration of Conformity issued when the production-surveillance module (D, E or F) of Annex B of the MED is fully complied with and controlled by a written inspection agreement with a Notified Body. The product liability rests with the manufacturer or his representative in accordance with Directive 2014/90/EU. This certificate is valid for equipment, which is conform to the approved type. The manufacturer shall inform DNV GL SE of any changes to the approved equipment. This certificate remains valid unless suspended, withdrawn, recalled or cancelled. Should the specified regulations or standards be amended during the validity of this certificate, the product is to be re-approved before being placed on board a vessel to which the amended regulations or standards apply.

Product description
