

Category C First Aid Kit

Designed to meet the stringent maritime regulations, set by the UK Maritime and Coastguard Agency (MCA) MSN 1905, the ANP MCA Category C First Aid Kit is a must-have for all lifeboats and liferafts. Fully compliant with MCA medical requirements, this kit is a reliable and trusted companion for commercial liferafts and small commercial vessels.

- + UK MCA and Lloyds Register of Shipping Type Approved for Category "C" Vessels. Certificate No: LR2431285MC.
- + Heavy duty waterproof re-sealable pouch.
- + Fully compliant with EC Directive 92/29, MSN 1905 and CE marked where applicable.

APPLICATION

The Category C First Aid Kit has been specifically designed to cater to the needs of life rafts, life boats and small commercial vessels and can be used in conjunction with the Code of Practice for small commercial vessels. Intended for vessels operating within a range of less than 60 miles from a port, including lifeboats and commercial liferafts, this mandated product ensures compliance with safety standards.

The Category C First Aid kit includes a mandated assortment of medical supplies and equipment necessary for handling various emergency situations.

RESTRICTED ITEM

ANP Pharma Ltd hold MHRA WDA (H) Licences for the authorised and approved distribution of the Category C First Aid Kits.

As per MHRA rules, only authorised boat skippers/owners or those authorised by the MCA can buy prescription medicines for commercial and leisure marine use. You will need to show proof in the form of either a licence number, boat registration number or a letter of authority by a relevant public body (MCA, etc.).

Please note that in line with the MHRA rules and regulations on shipments of medicines this item is non-returnable.
