1SEA KEMI

STACKABLE METAL-FRAME CHAIR

A compact metal frame chair series for efficient seating onboard.

1 CONFIGURATION | STACKABLE

CONSTRUCTION	FOOTPRINT	CONFIGURATIONS
Metal frame	43 x 43 cm	1 configuration

Designed for life onboard

1SEA Kemi is a robust, space-saving chair series selected for practical seating in maritime interiors. The stackable construction supports flexible room layouts and efficient storage, while the documented configurations allow the chair to be matched to the application.

- Mess rooms and dining areas
- Conference rooms and offices
- Accommodation and common areas onboard commercial vessels
