Selected configurations

Working height	Wood article no.	Fiber-Deck article no.
4.20 m	C003025	C003030
5.20 m	C003026	C003031
6.20 m	C003027	C003032
7.20 m	C003028	C003033
8.20 m	C003029	C003034

Selection and documentation

Working height is not platform height. Assembly, stabilisers, guardrails, loads and permitted indoor/outdoor heights must follow the Altrex manual for the complete configuration. Current Altrex tower configurations are designed around EN 1004 requirements.

Prepared by MariTeam from Altrex product specifications. This product summary is not an Altrex certificate or assembly manual. Data reviewed 8 September 2026.
